Pro-Burial Masses for Two Soldiers to be Celebrated

At St. James for Pvt. Francis Townsend of 82nd Airborne Troop and at Immaculate Conception for Pfc. Charles Orrell.

WACs Recruiting At Arlington Gas

A group of WACs are recruiting new members to their ranks in the offices of the Arlington Gas Light Company. Some WACs are in attendance at all times between the hours of nine and five from Monday through Friday and from nine to twelve on Saturday. The recruiting officers are stressing the needs of the Medical Corps.

With Army casualty lists steadily increasing and because of the critical shortage of Army nurses and technically trained Medical Personnel, a recruiting drive has been started to enlist WACs for the newly created Women's Army Corps Medical Units for service at the Army's 60 general hospitals in this country.

The plan is to assign a company of 100 women to each of the 100-bed hospitals and an additional company of the same size for each additional 1,000 beds in the larger hospitals. These companies will be made up of medical and surgical technicians primarily, but will include some women of clerical skills and techniques in other fields, such as X-ray, laboratory and dental. More than 8,000 additional WACs are required for this purpose.

WOMAN'S CLUB HOSTESS TO PRESIDENTS

Last Thursday at Robbins Memorial Town Hall, the Arlington Woman's Club was hostess to the Massachusetts State Federation president, Mrs. Edwin T. Reynolds; state corresponding secretary Mrs. Charles Kolster; Seventh District director, Mrs. Fred Shaw Macalaster, and presidents of thirty-nine neighboring clubs.

For the dessert hour, the hearing room had been transformed into a place of beauty by the social committee, Mrs. Richard S. Low, chairman. The beautiful tea table was decorated with a (Continued on Page 5)

Robert L. Moore Candidate for Representative

Through your paper, I would like to announce my candidacy for the office of Representative from the 28th Middlesex District. This decision has been reached after many of the citizens of Arlington urged me to run, pointing out that many years as a Town Meeting member, and also my training on the Finance Committee, one year of which I served as vice-chairman, would enable me to serve the Town of Arlington with knowledge and sincerity. I have also served many civic organizations, such as chairman of the Community Fund, a member of the Youth Guidance Committee, the Auxiliary Police, and many others.

ROBERT L. MOORE
172 Jason St.

There will be two pro-burial masses next week for Arlington soldiers—Pvt. Francis Townsend and Pfc. Charles L. Orrell.

Pvt. Townsend, a member of the famous 82nd Airborne Troop, was killed over Belgium according to news received from the War Department last Saturday by his mother, Mrs. Mary Townsend, whose youngest son he is. Wounded on D-Day, he was in a hospital in England for three months and while he was there spent a week with Captain Chester Rubner of Park avenue extension who was one of his Arlington intimates.

Returning to the continent he was in the thick of the Aachen fighting and from there was sent to Paris on a furlough. It is the belief of his mother that his outfit was called back from there when the Germans broke through on December 16. He had received the Purple Heart, the Glider Badge, the Infantry Combat Medal and the Presidential Citation.

Francis had many friends here, being a member of the Congo and the Quadrant Clubs.

The family home, now in Woburn, until a few months ago was at 1215 Massachusetts avenue.

Pvt. Townsend has a brother in the service—S/Sgt. Edwin T. Townsend, who is in Italy.

He has two sisters, Helen Patricia, and Mrs. Mary Marshall, whose husband, John Marshall, is in the Navy.

A solemn high pro-burial mass will be celebrated in St. James' Church next Tuesday morning at nine o'clock. Relatives and friends are invited.

Mass for Pfc. Orrell

There will be a pro-burial solemn requiem high mass at the Immaculate Conception Church in North Cambridge next Monday at 10 a.m. for Pfc. Charles L. Orrell. Relatives and friends are invited. Pfc. Orrell was killed in action in Germany December 10, 1944, while serving with the First Army, 60th Infantry, 9th Division. He entered the service in January of 1944 and went overseas last June. He leaves his wife, Emma Boyce Orrell and daughter, Beverly Elizabeth, five years old, of Harlow street; his mother and father, Mr. and Mrs. William A. Orrell of Somerville, and two sisters, Mrs. Doris Leslie of Reading and Mrs. Florence E. McCarty of Cambridge. His wife has received the Purple Heart and the Presidential Citation.

Fin. Com. Changes

There are two changes in the personnel of the Finance Committee, announced by the chairman, Hallam Ring. Charles A. Armitage of 16 Frost street has been appointed to represent Precinct 9 in place of Roscoe O. Elliott of 1 Windmill lane, now serving as Selectman. William R. Bennett of 205 Washington street has been appointed from Precinct 11 to succeed James F. Yonlde of 210 Mountain avenue, who has resigned.

Program Committee Foresees Increasing Tax Rate to Come

Arranges Program to 1950. Bond Issue Necessary in 1946. Town Hall Annex Needed. Land for School Department Should be Taken. Traffic Problem Must be Considered.

The Committee on Advanced Programming and Budgeting, whose appointment was voted at the last annual Town Meeting, has completed its report. The report of the Committee on Expenditures for the years 1945-1950. These are computed from town expenditures of the past ten years after conference with the heads of various departments and consultation with William Stanley Parker, chairman of the Boston City Planning Board.

The committee had hoped that it would be possible for Arlington citizens to continue to modern service in schools, streets, sanitation, public safety and other services with a stabilized tax rate of \$35. After listing the requests for future capital outlays of all town departments, they reached the conclusion that there would be an upward trend in the tax rate until 1950 when a rate of \$39 could be expected.

Estimates submitted for capital outlays would also make necessary an expenditure of \$3,000,000 in the next six years. It is the belief of the committee that a bond issue of \$200,000 will be necessary in 1946, and increased amounts thereafter. The committee feels that because of overcrowded conditions in the Town Hall, the construction of an annex to that building must be seriously considered in the immediate future. In the near future, also, land takings, especially in connection with the

YOUR PUBLIC HEALTH NURSES

Tomorrow is National Public Health Nursing Day. With so many of our physicians and trained nurses desperately needed on the war fronts and in the hospitals for wounded veterans in this country, the work of the public health nurse becomes increasingly important.

Arlington is fortunate both in its Health Department and in having the Arlington Visiting Nursing Association. A brief statement of the work they do follows.

Arlington has eight public health nurses—four visiting nurses who do bed-side nursing and teach people how to keep well through clinics and home visits.

Last year the visiting nurses made over 7,000 home visits and well baby clinics had 1,282 in attendance.

One Board of Health nurse has charge of the Dental Clinic, the Toxine Anti-Toxine Clinic and follows up all tubercular and contagious cases.

Three school nurses look after the health of all school children.

Public health nursing service makes it possible for many people to be taken care of at home and so relieve the pressure of hospitals.

Public health nurses teach families how to take care of their own sick and save nursing and medical time for more critical cases.

70 YEARS AGO THIS WEEK

Bring out the Candles. Owing to the freezing of the main pipe, Winchester has been without gas for a week, and now Arlington seems destined to suffer a similar affliction. Yesterday forenoon the gasometer at the gas house suddenly collapsed, owing, it is supposed, to a break in the pipes, which, up to the time of our going to press, the superintendent has been unable to find, and we shall doubtless have to do without gas light for several days to come.

Personal. — Mr. Abel R. Proctor, Treasurer of the Arlington Savings Bank, has been appointed a Justice of the Peace. He received his warrant on Thursday, and was qualified the day following.

Under the auspices of the Lt. Stanley G. Benner Unit, Marine Corps League Auxiliary, a mammoth Penny Sale will be held at 1299 Massachusetts avenue next Wednesday evening at eight o'clock. Mrs. Eva Swanson, president, has announced that the proceeds of this sale will go towards the Marines. Mrs. Margaret Coyne and Mrs. Mary MacGillivray, co-chairmen, are working diligently to make this a great success.

Fire starting in a divan, possibly from careless smoking, called the firemen to 34 Westminister avenue last Thursday night. The house, occupied by Benjamin Wilde, was badly damaged and Mrs. Wilde's hair was singed. Mr. Wilde was not home at the time.

(Utilities Order U-9)

\$4500.61 Utilities Order U-9. (a) Purpose of this order. War requirements have created a shortage in the supply of coal and other fuels. The purpose of this order is to save fuels used in the generation of electricity by prohibiting certain unnecessary uses of electricity.

(2) The War Production Board may from time to time issue directions exempting designated areas from this order if it finds that compliance within such areas will not reduce the consumption of coal or other scarce fuels in accordance with the purpose of this order.

(e) Appeals. Any person affected by this order who considers that compliance with this order will work an exceptional or unreasonable hardship on him or who considers that compliance will endanger public health or safety may appeal for relief to the District Office of the War Production Board for the area in which the consumer is located, Ref.: U-9.

(f) Notices. (1) Every electric supplier shall, as soon as practicable, notify by publication or otherwise all persons to whom it supplies electricity for uses prohibited by this order of the terms hereof.

Issued this 15th day of January, 1945.

WAR PRODUCTION BOARD

 ● Climbing back to health. At the Crippled Children's Clinic, Bridgeport, Conn., Jimmy and Marion practice muscle re-education exercises to overcome the after-effects of infantile paralysis. Funds from the March of Dimes have made it possible for these children to receive continuing physical therapy treatments. The March of Dimes takes place this year January 14-31.

Contribute to MARCH OF DIMES

(1) In September of 1942, seven-year-old Joseph Medvitz was in Jersey City Medical Center, his legs and back crippled with infantile paralysis. (2) A year and a half later, Joe was going to school again, a normal, active boy once more. Nine months of care at the Medical Center and continuing physical therapy treatments provided by the National Foundation helped this lad to win over the Crippler.

(a) Two-year-old Johnny Langer, legs and back paralyzed with infantile paralysis, offers a victory salute to show that although down, he's not out. (b) One year later, under the expert care and treatment being provided for Johnny by the Middlesex County Chapter (N.J.) of the National Foundation, he has regained the use of back and leg muscles and soon will be walking again.

JANUARY 14-31

Last summer America experienced the second worst epidemic of infantile paralysis in its history.

The disease attacked weak and strong alike, invading the richest and poorest homes in the nation.

Your dimes and dollars, supporting **The National Foundation for Infantile Paralysis**, made it possible to render expert care and treatment to all polio victims, regardless of age, race, creed or color.

Many of these thousands of new victims will need care for months, years, some perhaps for a lifetime.

Next summer America must be prepared to meet whatever epidemic emergencies may arise.

Support the Fund-Raising Appeal in Arlington

EVEN TO THE YOUNGEST—Arms and back stricken with infantile paralysis, this eight-months-old baby received modern care and treatment at the Crippled Children's Guild, Buffalo, N.Y., through the assistance of the Stuben County Chapter of The National Foundation for Infantile Paralysis. America's contributions to the March of Dimes, January 14-31, make this work possible.

"Keep grinnin'—you're winnin'!" George, who is well on his way to recovery after a crippling attack of infantile paralysis, gets a pep talk from the gang. The visitors, now in perfect health, once were victims of polio themselves. All were aided by the Middlesex County (N.J.) Chapter of The National Foundation for Infantile Paralysis. Your contributions to the March of Dimes, January 14-31, will help thousands of youngsters like these to win their fight against infantile paralysis.

The March of Dimes

continues through January 31 — it is hoped that the people of Arlington will make their contributions in Arlington for the support of the work which the National Foundation for Infantile Paralysis is doing.

The Foundation pays for treatment in cases where the family budget can ill afford the extra burden — usually through the local chapter. It organizes and finances epidemic communities to fight polio. It provides special training for nurses and physicians and finances research in all aspects of this mysterious disease. As yet there is no positive preventive or cure — only treatment.

Included among the 50 institutions receiving grants from the Foundation are the
CHILDREN'S HOSPITAL
MASSACHUSETTS GENERAL HOSPITAL
HARVARD INFANTILE PARALYSIS COMMISSION

50 per cent of the money goes to the general fund in New York, — 50 percent stays in the Middlesex Chapter treasury and is expended as needed for patients living in Middlesex County.

During the past 12 months the Middlesex Chapter has paid out \$1,700.00 for clinic, orthopedic and hospital treatment for Arlington residents.

Your contribution to-day is your insurance for tomorrow; research must continue and treatment shall be available.

Contributions will be accepted at any of Arlington's four banks or by

Lagasse Brothers Meet in So. Pacific

John J. Lagasse, formerly of 59 Paul Revere road, is now serving as Fireman 2/c aboard the U. S. S. Logan, an A.P.A. in the South Pacific, and has had opportunity to meet two of his brothers, Francis, 1 1/2, and George, 3 1/2, of Haverhill, who are both with the Navy Sea Bees in the South Pacific. John has a six-month-old son, John Jr., whom he has never seen. Mrs. Lagasse is the former Ruth Hutchinson and is now residing at 49 Thesda street.

Lt. Thomas Home from Alaska

Lt. Thomas Johnson has been spending his leave with his parents, Mr. and Mrs. Clarence E. Johnson. He returns today to Ladd Field, Fairbanks, Alaska, where he is an engineer with the Air Transport Command. Also at the Johnson home on Walnut street are his wife, whose home is in Goffstown, N. H., and his six-month-old daughter, whom he saw for the first time on this leave. Lt. Johnson likes his work and finds Alaska not at all a bad place. In fact, he says there is more snow in Arlington than there was in Fairbanks when he left.

Lt. Frances T. Collins, daughter of Mrs. T. J. Collins of 12 Schouler court, has returned to duty at Marine Corps Headquarters, Division of Plans and Policies, Washington, D. C., after spending a week's leave at her Arlington home.

Capt. John M. Johnson, 21, of 49 Alton street, has arrived in Italy and has taken up duties with a 15th Air Force heavy bomber group. Cpl. Johnson entered the service April 5, 1943.

Capt. Howard A. Sessler, son of Mr. and Mrs. W. E. Sessler, 49 Alton street, is serving as a bombardier and navigator with a Twelfth Air Force B-25 Mitchell bombardment group operating from Corsica. Enlisting in December, 1941, he participated in the original B-25 air attack on Tokyo. In addition to his Pacific theater service, he has flown on bombing missions across North Africa, Sicily, Italy, France, and the Balkans. He holds the Distinguished Flying Cross, the Air Medal, the Chinese Order of Clouds, the Pacific Campaign ribbon, the American Defense ribbon, and the European-Middle East-African theater ribbon with four battle stars.

Capt. John F. Hill, 52 Foster street, is one of those Air WACs now behind the lines in England, flown from her station in England to help the Air Service Command in its giant task of servicing America's fighters and bombers. Sgt. Hill is a stenographer in this Air Force headquarters where Allied aerial attacks against Germany are conceived. Before the war, he was in the Army Air Forces. Sgt. Hill attended Arlington High School and was employed as a secretary by the Foster Bros. Mfg. Co. in Somerville. She is the daughter of Mr. and Mrs. George A. Hill.

Sgt. John F. Roper, of 52 Palmer street, is a key man behind the scenes of the supply war in Europe. Serving with a station complement squadron at an Air Service Command depot in England, he is working long hours wrestling with the thousands of complex problems that arise in keeping equipment moving to the men of the combat air forces. A soldier since May 11, 1942, he has been overseas for 2 1/2 months. He attended Arlington High School and in civilian life was employed by Brown Durrell Co., Boston. He is the son of Mrs. Alice M. Roper. He has two brothers in the service, 1st Sgt. James F. Roper, Gen. Hospital, Ft. Geo. G. Meade, Md., and S/Ngt. Thomas T. Roper, in Germany.

Joseph A. Marshall, of 138 Herbert road, is at Sampson Naval Training Station, N. Y.

Captain Fowle Home from India

Captain Herbert L. Fowle has come from India to spend a twenty-six-day leave with his wife, the former Marjorie Burnett of Alabama, at her home, 52 Huntington road. During the thirteen months he spent in India, he was advanced from second lieutenant to captain and was awarded the Air Medal with four Oak Leaf Clusters and the Distinguished Flying Cross with one Cluster citation. His first navigator was Lt. George E. Anderson of High Flight road, who was lost in action. He himself survived fifty direct Japanese hits. That was when the British had trouble at Arakan, and called for help from the carrier command. The commanding officer led the flight in Fowle's plane. The Arlington boy was second in command, filling the position usually held by a lieutenant. Fowle's ship was able to limp back home late but not before the group parachuted much-needed ammunition to the beleaguered British. For that feat, Fowle was cited with the Distinguished Flying Cross. The troop carrier command to which Fowle belonged in the India-Burma theater acted as sort of quartermaster, a corps to ground troops, bringing in precious supplies which in addition to food supplies, medicine, ammunition, also carried such necessities as trucks divided in two and boats necessary for operations. Some supplies were dropped and some were landed. Capt. Fowle's C-47 and company often carried human cargo, evacuated wounded and sick soldiers.

Two Arlington soldiers have been reported wounded in the European Area. They are Pfc. Harold A. Fitzgerald, son of Mrs. Marie Fitzgerald of 103 Warren street, and Pvt. James R. Quinlan, son of Mrs. Hannah Quinlan of 64 Webster street.

Robert D. Keoll, son of Edwin Keoll, 7 Chester street, husband of Mrs. Clara J. Keoll, West Hartford, Conn., was promoted recently to Staff Sergeant. S/Sgt. Keoll has served in the India China Division since June, 1944, and is a Machine Supervisor of the Machine Records Unit. He has been in the army since October, 1942. In civilian life he was employed by Pratt and Whitney Aircraft, East Hartford, Conn., as a Machine Supervisor on I.B.M. Equipment. He attended Northeastern University.

Charles E. O'Brien, of 103 Webster street, was among the scores of 17-year-old volunteers who took the Navy oath of allegiance Monday at the Navy Recruiting Station in the Federal Building, Boston. The patriotic young man attended Arlington High School.

George E. Robinson of Belmont who passed away Tuesday of last week, was the architect of Arlington's fire stations, including that at the Center.

Census Completed when Cards are Returned
People who have been taking the census have completed their work and the tabulation of the population can be finished when the cards that the census takers return are received. Some where no one answered the bell are sent in. Joseph Duffy, clerk of the Board of Assessors, emphasizes the importance of the return of these cards if the census is to be a true one, since many homes were visited three or four times by the census taker, without finding anyone in.

BOY SCOUT NEWS
Pack 20 held its regular monthly meeting at the Brackett School last Friday evening. Cubmaster L. M. Donahoe introduced the new assistant Cubmaster Sidney Bowditch, who helped distribute certificates of recognition to all boys who participated in the various waste paper drives. All regretted that Mrs. Donahoe, because of illness, must relinquish her duties as den mother. Cubs and parents gave a rising vote of thanks to Mrs. Leslie Nelson, who is also resigning as a den mother. The "Hilltop Houdini" held the boys spellbound with his feats of magic and sleight-of-hand, and another performance by him is looked forward to with pleasure. Two boys selected from each den competed in a true or false contest, with Mr. Bowditch acting as quizmaster. The winner was David Bratton of Den 2. Merit badges were awarded to the following cubs: Wolf Silver, Eugene Bullock; Bear—Richard Healey, Hartwell Flemming, Richard Tobias, Richard Hill, Bear Silver, Francis Richards, and Frederick Clauson; Bear Gold—Francis Richards, Hartwell Flemming, Robert Regut. The meeting was adjourned in the usual manner by singing "God Bless America," with Mrs. Arthur at the piano.

Elks Seek Books For Merchant Marine
John L. Murphy, Exalted Ruler of Arlington Lodge, No. 1435, B. P. O. Elks, has announced that the local lodge, in cooperation with the National Headquarters of the Elks War Commission in New York City, would embark upon a campaign to obtain books for distribution to the seamen of the Merchant Marine, Lighthouse Service, Coast Guard, and Maritime Training Stations.

The campaign, which will be under the direction of Daniel P. Barry, P. D. O. War Committee Chairman of the lodge, got underway last week when complete plans were announced to the members of the Elks Lodge at a special meeting called for this purpose. In making the announcement Mr. Murphy quoted from a letter received from James R. Nicholson, Chairman, Elks War Commission, New York, which said: "Once again Elks are called upon to render a much needed Patriotic Service. Wherever the Government appropriates large sums each year to buy books for the Army and Navy, they make no such appropriation for the Merchant Marine—the men who keep the sea lanes loaded with supplies for the Army and Navy. Therefore, we are asked to assist the American Merchant Marine Library Association in their efforts to supply this reading material, which is often the only means of recreation open to these seamen for long periods of time. All members of the community are invited to donate books for this purpose. All types of books are acceptable—old books, new books, text books, reference books, historical books, novels, biographies, or technical books on any subject. Books should be mailed or delivered to John L. Murphy at 917 Massachusetts avenue, or they may be left in the lobby of the Capitol Theatre for packing and distribution."

Contests Entertain at Girls' Service Club Dance
A surprisingly large number of service men braved a New England snowstorm to attend the dance sponsored by the Arlington Girls' Service Club at the American Legion Hall Tuesday of last week. There were about sixty men present, including a number of petty officers from the Royal Canadian Navy. Two of the winners in both prize dances, Stoker Petty Officer E. C. Diggle from Hamilton, Ontario, Canada, with his partner, Laura Davis, won the prize offered for the square dance, and Shipwright Petty Officer Andrew R. Brands from Verdun, Province of Quebec, Canada, with Margaret Powers for a partner, won the prize in the pleatle elimination dance in which the gentlemen had to balance pleatles on their heads while they danced. The senior hostesses who served in the canteen during intermission were: Mrs. Agnes Elard, Mrs. J. Harry Law, Mrs. Mary Flores, and Mrs. Helen McLean.

All service men are again cordially invited to accept the hospitality of the Arlington Girls' Service Club on the evening of February 6 at the American Legion Hall. Currys Busy with Lectures and Teaching
Last week Wednesday, Russell Curry and his mother, Mrs. Grace Curry, left for Rochester, N. Y., where they appeared Thursday under the sponsorship of the Century Club. W. Dale Barker, chairman of the March of Dimes in Arlington, is asked many questions about the National Foundation for Infantile Paralysis, which the contributions support.

Arlington, says Mr. Barker, has received benefits from the fund. During the past twelve months, Middlesex Chapter, of which Arlington is a member, has paid out \$1700 for clinic, orthopedic and hospital treatment for Arlington residents.

Of the money collected in Arlington, 50% stays in the Middlesex Chapter treasury and is expended as needed for patients living in Middlesex county; the remainder goes to the general fund in New York.

The Foundation pays for treatment in cases where the family budget can ill afford the extra burden usually through the local chapter. It organizes and finances epidemic communities to fight polio. It provides special training for nurses and physicians and finances research in all aspects of this mysterious disease. Included among the 50 institutions receiving grants from the Foundation are the Children's Hospital, Massachusetts General Hospital and Harvard Infantile Paralysis Commission.

WOMEN'S ARMY CORPS

Hospital companies, comprising technicians, clerical workers and other skilled women are now being organized by the Women's Army Corps to provide this urgently needed help in Army general hospitals and other military hospitals in the United States.

WAC hospital units are now forming in each of the forty-eight states and the District of Columbia. These units will bear the names of their respective states, local communities, or other titles that may be designated by the governors. Groups of women of the same state or local community may enlist together for initial service at a particular Army hospital. Thus, as members of WAC hospital units, they may be with their friends and preserve their local interests while working together in the common effort of healing our fighting men.
